1. Definitions:

- 1.1. **Licensed Program(s)** means the executable code version of the ELYSIUM software designated by Customer in the Licensed Software Designation Agreement, including any updates, enhancements or modifications to the Licensed Program(s) released by ELYSIUM to customer, and any related documentation.
- 1.2. **Computer System** means the computer hardware equipment at the location designated as the "Site" in the Licensed Software Designation Agreement on which Customer has elected to install and/or execute Licensed Program(s).

2. License Fee:

- 2.1. The annual license fee is the aggregate of the fees stated in the Licensed Software Designation Agreement for each Licensed Program selected by Customer.
- 2.2. The annual fee is due and payable upon shipment of the Licensed Program(s) and on each anniversary of the date of shipment if Customer elects to renew the annual license for an additional one year term. It will constitute a material default under the terms of this Agreement by Customer if Customer fails to pay to Elysium any license fee or other amount payable to Elysium under the terms of this Agreement.

3. License Grant:

- 3.1. Licensed Program(s), including any documentation relating to or describing such Licensed Program(s) such as, but not limited to, user manuals, now or hereafter provided by ELYSIUM, are furnished to Customer under a non-exclusive, non-transferable and non-assignable license solely for Customer's own internal use at the Site on the single designated Computer System only on which each Licensed Program is first installed. The Licensed Program(s) may only be copied with the proper inclusion of ELYSIUM's copyright notice for use on such single Computer System for archival and back-up purposes. The Licensed Program(s) may not be decompiled, reverse compiled, disassembled or otherwise reverse engineered. Customer will not allow time-sharing or an on-line Application Service Provider type of software usage.
- 3.2. If Customer is unable to operate the Licensed Program(s) on the Computer System due to equipment malfunction, the Licensed Program(s) may be transferred temporarily to another Computer System during the period of equipment malfunction.
- 3.3. Customer is completely and solely responsible for confirming the accuracy of any results it obtains by using the Licensed Program(s). Elysium makes no commitment or assurances regarding the accuracy of the data transfer or the compatibility of the Licensed Program(s).

4. Installation:

Customer shall install the Licensed Program(s) only at the site on Customer's Computer System designated on the Licensed Software Designation Agreement.

5. Title:

No title to or ownership in the Licensed Program(s) is transferred to Customer. Title to and all applicable rights in patents, copyrights and trade secrets in the Licensed Program(s) shall remain in ELYSIUM or third parties from whom ELYSIUM has obtained rights to license the Licensed Program(s). Licensed Program(s) provided hereunder, including the ideas, concepts, know-how and technology contained therein, are proprietary and confidential to and contain trade secrets of ELYSIUM or third parties from whom ELYSIUM has obtained rights to license the Licensed Program(s), and Customer agrees to be bound by and observe the proprietary, confidential and trade secret nature thereof as herein provided. Customer agrees to take appropriate action by instruction or agreement with its employees who are permitted access to the Licensed Program(s) to fulfill its obligations hereunder. Except as may be permitted in writing by ELYSIUM, Customer shall not provide, or otherwise make available, the Licensed Program(s) or copies thereof to any third party.

6. Term and Termination:

- 6.1. The term of the license is a period of one year commencing upon the date the annual license fee is due and payable by Customer.
- 6.2. The annual license shall automatically renew for an additional period of one year at the then current ELYSIUM standard license fees unless 90 days advance written cancellation notice is given by Customer or ELYSIUM.
- 6.3. Customer understands and agrees that if it fails to timely pay Elysium the amounts described herein, then security features contained in the Licensed Program(s) will prevent the Licensed Program(s) from operating upon expiration of the current term.
- 6.4. ELYSIUM shall have the right to terminate Customer's license if Customer fails to pay any required license fee(s) or otherwise fails to comply with these license terms and conditions. ELYSIUM shall give written notice to Customer of such default and if such default has not been remedied within 30 days after such notice, this license shall terminate.
- 6.5. Customer agrees, upon expiration of the license term or upon termination by reason of Customer's default, to immediately return or destroy the Licensed Program(s) and copies thereof as directed by ELYSIUM and, if requested by ELYSIUM, to certify in writing as to the destruction or return of the Licensed Program(s) and all copies thereof.

7. Warranty:

- 7.1. ELYSIUM WARRANTS THAT FOR A PERIOD OF 90 DAYS AFTER DELIVERY OF LICENSED PROGRAM(S) TO CUSTOMER, THE LICENSED PROGRAM(S) WILL PERFORM IN ACCORDANCE WITH THE ELYSIUM USER DOCUMENTATION. IN THE EVENT THE LICENSED PROGRAM(S) DO NOT PERFORM IN ACCORDANCE WITH THE USER DOCUMENTATION, THEN DURING THE 90 DAY WARRANTY PERIOD ELYSIUM SHALL AT ITS OPTION (I) CORRECT ANY VARIANCE BETWEEN LICENSED PROGRAM(S) PERFORMANCE AND LICENSED PROGRAM(S) USER DOCUMENTATION; OR (II) REPLACE THE LICENSED PROGRAM(S) MEDIA. THE FOREGOING SHALL BE CUSTOMER'S SOLE AND EXCLUSIVE REMEDY FOR ERROR OR EFFECT IN THE LICENSED PROGRAM(S).
- 7.2. THE ABOVE WARRANTIES ARE IN LIEU OF ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, WHICH WARRANTIES ARE HEREBY DISCLAIMED, INCLUDING THE WARRANTY OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, AS WELL AS ANY WARRANTIES ALLEGED TO HAVE ARISEN FROM CUSTOM, USAGE, OR A COURSE OF DEALINGS BETWEEN THE PARTIES.

8. Patent and Copyright Indemnification:

ELYSIUM shall defend any action, suit or proceeding brought against Customer in so far as it is based on a claim that the Licensed Program(s) delivered hereunder infringe any United States patent or copyright issued or registered as of the date of this Agreement provided that ELYSIUM is promptly notified by Customer of the action and given full authority, information and assistance (at ELYSIUM's expense) for the defense of the action. ELYSIUM shall pay all damages and costs awarded therein against Customer, but shall not be responsible for any compromise made without its consent. ELYSIUM may, at its option and expense, replace or modify the Licensed Program(s) so that infringement will not exist or refund to Customer the price thereof as depreciated or amortized by an equal annual amount over the lifetime of the Licensed Program(s) as established by ELYSIUM. ELYSIUM's commitment shall not extend to any infringement or claim thereof which is based upon the combination of the Licensed Program(s) delivered hereunder with software not supplied by

ELYSIUM, any modification or alteration of the Licensed Program(s) by Customer or Customer's use of a version of the Licensed Program(s) other than the most current version.

9. Use of Licensed Program(s) and Limitation of Liability:

- 9.1. Customer shall retain full control over the use of the Licensed Program(s) and any modifications or enhancements thereof as well as Customer's use of any recommendations provided by ELYSIUM during the course of providing services under any other Schedule of this Agreement. Accordingly Customer agrees to be solely responsible for the design, repair and configuration of Customer's equipment, machinery, systems and/or products. Customer assumes all risks and liability for results obtained by the use or implementation of the designs in any way influenced by the use of the Licensed Program(s) or the provision of services, whether such designs are used singly or in combination with other designs or products. Customer agrees that ELYSIUM shall have no liability to the Customer or to any third party for any ordinary, special or consequential damages or losses which might arise directly or indirectly by reason of the Customer's use of the Licensed Program(s) or the provision of services. Customer shall protect, indemnify, hold harmless and defend ELYSIUM of and from any loss, cost, damage or expense, including attorney's fees, arising from any claim asserted against ELYSIUM that is in any way associated with the matters set forth in this Agreement.
- 9.2. With respect to any claim not subject to Section 9.1., the liability of ELYSIUM for any claim hereunder, regardless of the form of action, whether in contract or tort, including claims of negligence against ELYSIUM, shall be limited to the total of all amounts Customer has paid to ELYSIUM for the Licensed Program(s) or services that are alleged to have caused damages or that is related to the cause of action. In no event shall ELYSIUM be liable for any incidental or consequential damages including, without limitation, loss of use, loss of profits or other consequential damages, even if ELYSIUM has been advised of the possibility of such damages. No action, regardless of form, arising out of the transactions under this Agreement may be brought by Customer more than two years after the cause of action has occurred.

10. Maintenance and Support:

Maintenance and Support services are available to Customer pursuant to the terms and fees contained in this Agreement, the Maintenance and Support Schedule and the Licensed Software Designation Agreement.

Customer agrees that any Licensed Program(s) licensed hereunder will not be exported (or reexported from the country where it was first installed), directly or indirectly, separately or as part of a system, without Customer, at its own cost, first obtaining all licenses from the United States Department of Commerce and any other appropriate agency of the United States Government as may be required by law.
- 12.2. Customer acknowledges and agrees that it shall not use the Licensed Program(s) in the design, development, production, stockpiling or use of missiles, or chemical or biological weapons nor shall it use the Licensed Program(s) for facilities which are intended to produce chemical weapons or chemical weapon precursors, unless a validated export license is obtained from the U.S. Department of Commerce where required.

16. General:

- 16.1. Customer may not assign any of its obligations, rights or remedies hereunder and any such attempted assignment shall be null and void.
- 16.2. Customer shall not in any manner or form disclose, provide or otherwise make available, in whole or in part, any Licensed Program(s) and/or documentation to any third parties.
